Parameter	Value
Solution	Pixart3220+BK3633 QFN48
Main switch	Huano silent switch 6*6*5.5/3million
Other switch	Huano silent switch 6*6*5.5/3million
Number of keys	7
Encoder	Huano/300000cycles
USB cable	1.8m USB to TYPE-C Charge with data cable
Magnet ring	Standard Magnetic Ring
USB connector	Nickel-plate
Resolution	6400DPI
Maximum frame rate	Self-adaption
Maximum acceleration	10G
Maximal tracking speed	30IPS
Maximum polling rate	2.4G-1000hz BT-133hz
Current consumption	≤45mA
Backlight model	RGB
Power supply mode	Polymer battery
Battery specification	700mA
Safety certification	CE & FCC
Dimensions	118*76*44mm
Weight	93±3g
Material type	ABS plastic
Injection color	injection black color
Surface treatment	UV black
Mouse skates	Teflon foot pad set
Manner of packing	195*140*55mm GamingMouse ColorBox
Sticker	1PCS sealing paste
Manual	black and white printing on sketch paper
Carton	580*440*303mm 40pcs/CTN GamingMouse Carton
Environmental certification	ROHS
